

## 500 mile sponsored cycle relay across 3 days!

Extra Mile Challenges organises everything: Channel crossings, hotels, meals (including our fabulous end-of-Challenge gala dinner) and arrowed cycle routes which open up the hidden France and Belgium few tourists see. Our experienced course marshals are there to keep you safe and on track.

## Enter in teams of 4

Teams ride in relay on the Friday/Saturday/ Sunday, mostly on quiet minor roads. Each cyclist needs to be prepared to cycle around 45 miles a day, typically in 4 or 5 stages, you can choose to cycle further if you wish. Suitable for experienced and amateur cyclists - ride at your own pace, but get back for dinner!

## **Get sponsored**

Your chosen charity gets 75% of what you raise, with the other 25% (plus gift aid) going to the organisers' charities. We only ask each cyclist to raise a minimum of £300 in sponsorship (£1,200/team)

## Have fun

Teams return year after year to enjoy the superb camaraderie and brilliant event to engender corporate team-building. Whether supporting each other out on the road or swapping stories over dinner, you'll love the Extra Mile experience.
